CES TRAVEL SCHOLARSHIPS

to the

CES CONFERENCE 2004

Saskatoon, Saskatchewan

May 16 – 19

The Canadian Evaluation Society is considering the possibility of offering financial support (registration, travel and accommodation expenses in accordance with CES's Travel Expense Policy) to individuals affiliated with Canadian post-secondary institutions (colleges, universities, research institutes) to attend the CES Conference 2004. Applications from students are particularly encouraged.

To be eligible, you must be (or become) a member of CES and register for the Conference. To be considered, please submit your letter of application to the address below, indicating your educational affiliation (name of the institution and your relationship with the institution), your background in evaluation (e.g., courses taken, courses taught, evaluations completed), your interest in attending the Conference (e.g., because you have submitted a paper for presentation, because you want to learn more about evaluation, etc.), the amount and sources of other financial support to attend the Conference, and the amount you still require.

Applications are to be
Mailed, faxed or e-mailed
By March 26, 2004 to:
